Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the **Ygnacio Valley Road Fiber Infrastructure project** in Fiscal Year 2023.

The entity to receive funding for this project is the City of Walnut Creek located at 1666 North Main Street, Walnut Creek, California 94596.

The funding would be used to install Fiber Optic Communication Infrastructure on Ygnacio Valley Road between Interstate 680 and Oak Grove Road to improve communication, increasing data bandwidth along the corridor to allow for SMART infrastructure.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Mark DeSaulnier  
Member of Congress
